FREE PROFESSIONAL WHITENING ***\$200 Value***

We offer *Free Professional Whitening* to all new patients who meet the criteria outlined below. The purpose of this program is to encourage patients to reach, and then maintain, optimal dental health. Upon completion of initial exam, x-rays, recommended hygiene treatment, and all recommended restorative treatment, patients will receive custom-made whitening trays and a professional, take-home whitening kit. For two years following the initial whitening gift, patients will receive one free whitening refill at each hygiene visit.

Program details are outlined below*.

Qualification Details

1. Be at least 18 yrs old.
2. Complete initial exam, x-rays, recommended hygiene treatment, and recommended restorative treatment**
3. Make 3, 4, or 6 month recall appointment at completion of first hygiene appointment
4. Comply with financial and cancellation policies as outlined in their new patient paperwork
5. Will receive take-home whitening kit and custom trays at their last visit for initial planned treatment***
6. Program is provided at no cost to the patient. Exams, x-rays, hygiene treatment, and restorative treatment will be provided at our normal fees and following our normal guidelines.
